

ARTICLE 3. DEFINITIONS

3.2. Additional definitions.

Professional office: A structure or space which houses the business office of a person or persons who supply a professional service other than a business service, financial service, or personal service, as defined in this ordinance. Notwithstanding the above, real estate offices are permitted.

Business service: A service listed under U.S. Standard Industrial Classification Code 73, including by way of example: advertising, credit reporting and collection, mailing and reproduction services, services to buildings, personnel supply services, computer and data processing services, management and public relations, similar services to businesses, and the business offices of corporations or firms. A commercial activity which renders a service performed on the customer's property where a business is the end use, and which involves no retail sales upon the premises.

Financial service: A service listed under U.S. Standard Industrial Classification Codes 60 through 67, inclusive, and including banking, other credit agencies, security and commodity brokers, services, insurance, real estate, and investment offices.

Personal service: A service listed under U.S. Standard Industrial Classification Code 72, and including laundry and cleaning services, photography studios, shoe repair shops, funeral homes, and similar services to the general public.
